National and International Scholarships
Resources and opportunities for high-achieving undergraduates at the University of Minnesota

Here are examples of scholarships, fellowships, and awards for outstanding students:

**Beinecke Scholarships.** Awarded to juniors who intend to pursue graduate study in the arts, humanities, or social sciences. For students who have received need-based financial aid. (November 2015)

**Churchill Scholarships.** Awarded to seniors planning careers in scientific research to complete a one-year Master’s degree at Cambridge University. (April 2016)

**Critical Language Scholarships.** Awarded to students at all levels for intensive summer study abroad in a Critical Need Language. (November 2015)

**Fulbright Grants.** Awarded to graduating seniors and college graduates for one year of study, research, or teaching in one of approximately 100 foreign countries. (September 2016)

**Gates Cambridge Scholarships.** Awarded to graduating seniors or recent graduates for study at the University of Cambridge toward a graduate or second undergraduate degree. (October 2015)

**Goldwater Scholarships.** Awarded to sophomores and juniors who are preparing for research-based careers in the natural sciences, engineering, or mathematics. (November 2015)

**Marshall Scholarships.** Awarded to graduating seniors and recent graduates for graduate study in any field at any British university. Start the application process in your junior year. (April 2016)

**National Science Foundation (NSF) Fellowships.** Awarded to graduating seniors and recent graduates for research-intensive graduate study in science, mathematics, engineering, social science, or history/philosophy of science. (October 2015)

**Rhodes Scholarships.** Awarded to graduating seniors and recent graduates for graduate study in any field at the University of Oxford. Start the application process in your junior year. (April 2016)

**Truman Scholarships.** Awarded to juniors who intend to pursue careers in government, education, nonprofit work, or elsewhere in public service. (November 2015)

**Udall Scholarships.** Awarded to sophomores and juniors who are preparing for careers related to the environment, and to Native American sophomores and juniors in fields related to tribal public policy. (January 2016)

Advising Services

National and International Scholarship Advising is located in the University Honors Program office and serves undergraduates and recent graduates from all colleges at the University of Minnesota-Twin Cities (Honors and non-Honors students) who have very strong academic records. Our scholarship advising staff is available to help you:

- assess your scholarship potential
- identify scholarships pertinent to your interests and goals
- understand the details of the application process
- learn about the nomination process for some scholarships
- write an effective personal statement
- request letters of recommendation
- pursue a challenging academic program
- find appropriate co-curricular, community service, and leadership activities
- define your long-term goals
- prepare for campus and finalist interviews
- maintain balance and perspective in your life while competing for a scholarship
- learn as much as you can from the application process
